

Always wanted to shoot a few Clays or try your hand at Fly Fishing...?

Buttercross Bed and Breakfast has got together with Blithfield Fishery and Dave Beardsmore – World Skeet Shooting Champion, to offer you the opportunity to 'have a go' at Fly Fishing and Clay Pigeon Shooting. It may be that you have never tried because you don't know where to go, or don't have the equipment – well this is just for you! All you have to do is turn up and everything will be arranged for you. You will have instruction from Dave in a controlled safe environment and have the chance to shoot up to 50 clays, the following day a local Gilly from the village will take you onto Blithfield Reservoir and instruct you in the gentle art of fly fishing; if you feel confident enough, you could then hire a boat and spend the rest of the afternoon messing about on the water! Lunch will be provided on both days and if required we can reserve a table for you at one of the local hostelrys for your evening meal. Below is an example, but really we can tailor your package to your individual requirements. Please note that the following is based on a per person rate, should you come as a couple or share the twin room the rate will decrease – please call to discuss how we can best suit your requirements!
